

## Report on Co-curricular Activity of Constitution of India

Topic: Constitution of India & Privacy Laws

Date: 6<sup>th</sup> March 2021

Time: 10.30 AM - 11.30 AM

Delivery: Through G-Meet

### Event Summary

GTU-GSET has convened an expert talk on Constitution of India & Privacy Laws in the interest of the student's academic audit subject Constitution of India and let them aware about the importance of data privacy. For the said event Adv. Manan Thakkar has marked his presence as a session expert. He enlightened the audience with the various important Indian IT & ITAA laws which deals with the data privacy. He extended his talk by projecting the judgements of various courts and case studies. The session was ended by understanding the remedies of not to being into a trap of social media influential activities and how to make control on mind using Maha-Mantra Meditation. Speaker has discussed the research paper of Dr. David Wolf on "Examining the Effects of Meditation Techniques on Psychosocial Functioning", as part of remedies to control the mind while working in a cyber space workplace.
