

Report on Expert Session by Mr. Ranchhod Khambhala

Topic: Reference Management for Research Work

Date: 26th December 2022

Time: 12.00 PM onwards

Venue: Computer Lab – 330, GSET

Event Summary

It is to inform that M.E. Civil Engineering Department of GTU-GSET has convened an expert session on topic "Reference Management for Research Work". The session was delivered by Mr. Ranchhod Khambhala, librarian GTU-GSET.

The session was organized for the students with an objective to orient the students about necessity of referencing.

Expert have covered various topics such as:

1. Fundamentals of reference management
2. Basic terminologies such as bibliography, citation and references with their significance
3. Discussed on citation styles
4. Hands-on training on software Zotero
5. Prepared a draft copy from the students of research paper by taking live examples according to their research domain
6. Hands-on training also included the citation from standard websites, with citation styles according to journal guidelines and other contents covered such as name of journal, organization's name, author's name, etc.

The session was attended by 25 students from the program M.E. Structural Engineering and M.E. IOT. Thankful to Prof. (Dr.) G. D. Makwana for coordination among students of M.E. IOT.

The session was concluded with eminent remarks under the guidance of Prof. (Dr.) J. A. Amin, Program Coordinator M.E. SE & Prof. (Dr.) S. D. Panchal Director GTU-GSET.
