Report on
"Strategic Mastery: Elevating Your Aptitude for GATE and Beyond in Placement Activities"

Type of Event: Seminar

Date, Time and Venue of the Event: 8th February, 2024
Time: 10:30 AM to 12:30 PM
Venue: Seminar Hall, 2nd Floor, GTU-GSET

Description of Event:

The Computer Engineering Department of the GTU-GSET organized a session on"Strategic Mastery: Elevating Your Aptitude for GATE and Beyond in Placement Activities" to empower participants with strategic insights and skills essential for success in GATE (Graduate Aptitude Test in Engineering) and placement activities. The event aims to provide a comprehensive understanding of the strategic approach required to excel in competitive exams like GATE and enhance one's employability in the corporate world.

Expert and His Brief Speech:

Prof. Vijaykumar R Visavaliya

-Pursuing Doctor of Philosophy, Dhirubhai Ambani Institute of Information and Communicational Technology (DAIICT), Gandhinagar.

-2008 Master of Philosophy, 76.00% First Class with Distinction, Sardar Patel University,
Vallabh Vidyanagar.
Functional Analysis

-2007 Master of Science, 72.63% First Class with Distinction, Sardar Patel University,
Vallabh Vidyanagar.
Mathematics

-2005 Bachelor of Science, 74.85% First Class with Distinction, Saurashtra University,
Rajkot.
Mathematics

-2002 Higher Secondary School Certificate, 50.92% Second Class, Kamani Forward Higher Secondary School, Amreli.
Studied Maths, Physics, Chemistry and Biology

Topics Covered:

- Understanding the significance of strategic thinking in academic and professional success.
- Overview of how strategic mastery can impact performance in GATE and placement activities.
- Techniques for optimizing study schedules to efficiently cover GATE syllabus.
- Proven techniques for approaching and solving complex problems.
- Interactive discussion to apply problem-solving strategies in real-time.
- Q&A session for participants
- Exchange of experiences and strategies among attendees.

Geotag Photographs of the Event:

Conclusion: The session was attended by 66 students from Undergraduate (UG) programs in Computer Engineering at GSET-GTU.The session culminated with heartfelt gratitude extended to Prof. VijayKumar R Visavaliya by Prof. Soniya Jain from GTU-GSET. This insightful event, orchestrated under the wise guidance of Dr. S. D. Panchal, the Director of GSET, provided students with a valuable platform to enhance their understanding of GATE and gain insights into placement activities. It was an enriching experience, fostering knowledge and strategic thinking to empower students on their academic and professional trajectories.
