Accredited with A+ Grade by NAAC

Senior software engineer at Google

Mr. Aditya Shah

Geotag Photographs of the Event:

Conclusion: The session was attended by 64 students from Undergraduate (UG) programs in Computer Engineering at GSET-GTU. The session culminated with heartfelt gratitude extended to Mr. Aditya Shah by Prof. Soniya Jain from GTU-GSET. This insightful event, orchestrated under the wise guidance of Dr. S. D. Panchal, the Director of GSET, provided students with a valuable platform to enhance their understanding about Generative A.I technology. It was an enriching experience, fostering knowledge and strategic thinking to empower students on their academic and professional trajectories.
