

Civil Standards Club Quiz Competition Event Report

Date & Time: 26th February, 2026 (11.00 AM – 11.30 AM)

Venue: 1st floor, Classroom 205 at SET, GTU.

A Standards Club Activity Program was successfully conducted under the aegis of Bureau of Indian Standards (BIS), Ahmedabad Branch Office, focusing on BIS standards in Civil (Structural) Engineering. This initiative aimed to enhance awareness and understanding of Indian standards among postgraduate structural engineering students.

The quiz was conducted in Online mode through Google Forms focusing on the theme BIS Standardization. 16 Students of semester 2 from PG in Civil (Structural Engineering) have participated in the quiz. Students participated enthusiastically, demonstrating their knowledge of BIS standards. The quiz comprised 25 questions, evaluating their understanding of BIS standardization and guidelines.

Results:

1. **1st Prize:** Vaghela Nandiniba Parakramsinh
2. **2nd Prize:** Ketan Parmar
3. **3rd Prize:** Zagdu Munaf Mehmudbhai
4. **4th Prize:** Panchal Dhruv Dineshbhai

The event successfully promoted awareness of standardization and quality control, encouraging students to integrate these principles into their professional careers. This initiative under the **Civil Standards Club Activity Program** reflects BIS's commitment to spreading knowledge and ensuring that future engineers are well-versed with national standards.

Glimpses of the event
