

Gujarat Technological University School of Engineering and Technology

Report on Expert Session on “Industry Reality Check for Engineers” with Odoo

Date & Time : 23rd March, 2026 , 11:00 A.M to 01:00 P.M

Co-ordinated by: Prof. Disha Bhatt (Asst. Prof.- CE Dept.), Dr. Aanal Raval (Asst. Prof.- CE Dept.)

Convener: Dr. Madhuri Bhavsar, Director, GTU-SET

Expert/Speaker: Mr. Soumya Mukherjee, Senior Software Developer from Odoo

Venue: Aryabhata Seminar Hall, GTU-SET

Participants: Students from UG Computer Engineering

No. of Participating Students: 93

The expert session on “*Industry Reality Check for Engineers*” was successfully conducted on **Monday, March 23, 2026, at 11:00 A.M.** at GTU-SET. The session was delivered by **Mr. Soumya Mukherjee, Senior Software Developer from Odoo**, who brought valuable industry experience and practical knowledge to the discussion. The event was efficiently coordinated by **Prof. Disha Bhatt and Dr. Aanal Raval**, ensuring its smooth and systematic execution.

A total of **93** students 6th Sem & 4th Sem Computer Engineering , along with faculty members, actively participated in the session. The speaker provided deep insights into the real-world engineering environment, focusing on industry expectations, current technological trends, and the gap between academic learning and professional requirements. He emphasized the importance of strong fundamentals, problem-solving abilities, communication skills, and continuous upskilling to remain competitive in the evolving job market.

GUJARAT TECHNOLOGICAL UNIVERSITY

Organizes
 An Expert Session on
“Industry Reality Check for Engineers”
 Bridging Academia with Real Industry Experience with ODOO

Our Speaker

Mr. Soumya Mukherjee
Senior Software Developer, ODOO

 23. 03. 26 (Monday)
 11:00 AM to 1:00 PM
 Aryabhata Seminar Hall, 302, GTU-SET

Coordinators

Prof. Disha Bhatt (Asst. Prof., GTU-SET)
Dr. Aanal Raval (Asst. Prof., GTU-SET)

Convener

Dr. Madhuri Bhavs
Director, GTU-SET

Additionally, the speaker shared practical examples from his professional journey, which helped students relate theoretical concepts to real-life applications. He also guided students on career planning, interview preparation, and the significance of internships and hands-on experience. The interactive nature of the session encouraged students to ask questions, making it more engaging and impactful.

Overall, the session proved to be highly informative and beneficial. It successfully enhanced the students' understanding of industry dynamics and motivated them to align their skills with professional expectations, thereby contributing to their overall career readiness. The knowledge and guidance provided during the session will significantly support students in their placement preparation and future career opportunities.
