Report on Gujarat SemiConnect Conference 2026

Industrial Visit: Gujarat SemiConnect Conference 2026 at Mahatma Mandir Convention Centre, Gandhinagar.

Semester: B.Tech 2nd Semester & 4th Semester Electronics & Communication

Date of Visit: 1st March 2026

Co-ordinated by: Prof. Aayushi Garg, Assistant Professor, GTU-SET, Prof. Prakash Vidhwan, Assistant Professor, GTU-SET, Prof (Dr) Gautam Makwana (Associate Professor -GTU -SET)

No. of Participating Students: 30

Organised By: GTU-School of Engineering and Technology

1. Event Overview

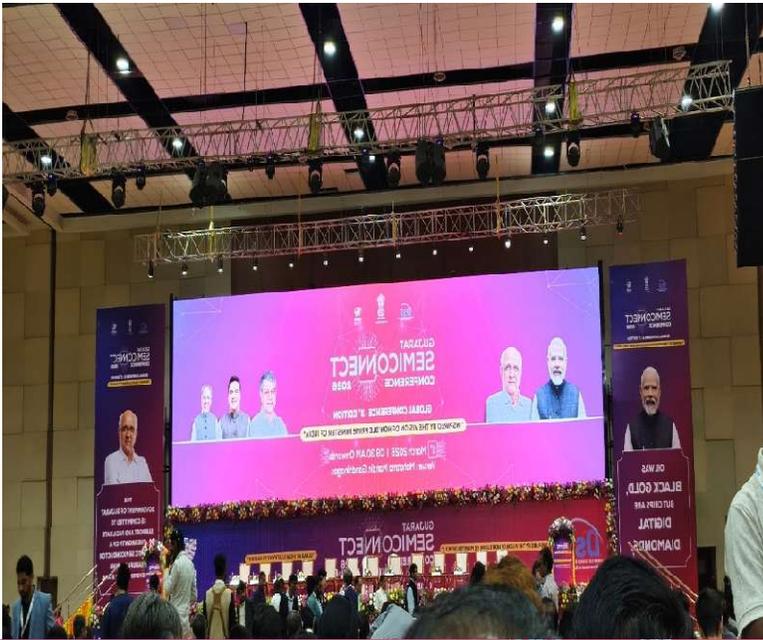

The GTU-School of Engineering and Technology (GTU-SET), Ahmedabad, successfully organised a visit to the Gujarat SemiConnect Conference 2026 at Mahatma Mandir Convention Centre, Gandhinagar, on 1st March 2026. Honourable Chief Minister Shri Bhupendra Patel, Union Minister Shri Ashwini Vaishnaw, and other distinguished guests attended the conference. The event focused on the development of the semiconductor ecosystem in Gujarat and highlighted the importance of semiconductor manufacturing, innovation, and technological advancement in India.

2. Participants: A total of 30 students from the B.Tech 2nd Semester & 4th Semester Electronics & Communication programs participated in the visit. In addition to students, four faculty members also accompanied the visit to ensure smooth coordination and supervision: Prof. Aayushi Garg (Coordinator), Prof. Prakash Vidhwan (Co-Coordinator), Prof (Dr) Gautam Makwana (Associate Professor -GTU -SET) and Dr R.A. Thakker (Dean of R&D cell -GTU).

3. Highlights of the Visit:

The visit also aimed to provide knowledge about the semiconductor ecosystem and emerging technologies in electronics and chip manufacturing. It helped bridge the gap between theoretical concepts learned in academics and their practical industrial and research applications. Additionally, the conference provided insight into future career opportunities in semiconductor design, fabrication, and the electronics industries.

- Understood the importance of semiconductor technology in modern electronics.
- Gained exposure to developments in semiconductor manufacturing and chip design.
- Learned about India's Semiconductor Mission and government initiatives.
- Understood the role of Gujarat in developing semiconductor industries.
- Enhanced knowledge about future trends in the semiconductor and electronics sectors.
