Report of Workshop on

FROM CLASSROOM TO CORPORATE

(Preparing for IT Sector Interviews)

1. Event Overview

A workshop on “From Classroom to Corporate – Preparing for IT Sector Interviews” was conducted on **29-09-2026** at **11:00 AM** (302 Aryabhatt Hall) at GTU-SET, Chandkheda Campus, Ahmedabad.

The session aimed to provide students with practical guidance on preparing for and facing IT-sector interviews. The workshop focused on professional interview behaviour, effective communication, self-introduction, body language, professional appearance, and understanding interviewer expectations.

The workshop also supported students' placement preparation and employability development by providing practical insights into the expectations and practices followed during professional interviews.

4. Key Highlights of the Session

The expert explained several crucial aspects of IT-sector interview preparation, helping students understand how to present themselves confidently and professionally during recruitment.

- Importance of making a positive first impression while entering the interview room.
- Guidance on professional dressing, sitting posture, and overall interview etiquette.
- Techniques for answering “Tell me something about yourself” in a concise and confident manner.
- Understanding what interviewers expect from candidates beyond technical knowledge.
- Discussion on how IT-sector interviews differ from interviews in other sectors.
- Importance of effective communication and overcoming common communication barriers.
- Guidance on creating a lasting impression through professional interaction.
- Importance of voice, tone, and body language during interviews.
- Understanding the role of human attention span in effective communication.
- Guidance on appropriate handshakes and professional non-verbal communication.
- Emphasis on presenting one's skills, knowledge and personality with confidence and clarity.
- Practical insights into improving interview readiness and professional communication for the corporate environment.

The session was highly informative and interactive, helping students understand the importance of professional behaviour, effective communication and confident self-presentation while preparing for IT-sector interviews. The workshop also supported students in strengthening their employability and placement readiness.
