Report on Hands-on Training on "LaTeX for Report Writing"

Topic: Research Talk on "LaTeX for Report Writing"

Date: 29th September 2026 **Time:** 03.15 PM onwards

Venue: GTU-SET, Chandkheda, Ahmedabad

Event Summary

GTU-SET has organised a Hands-on Training on "LaTeX for Report Writing". The invited expert was Dr. Raj Hakani, Assistant Professor at GTU-SET, with the objective of enhancing academic and research documentation skills among students.

The session was attended by 1st Semester PG students of AI&DS and CS, who actively participated in the program. The expert deliberated on the effective use of LaTeX for research paper writing, thesis formatting, and structured academic documentation.
Key topics covered during the session included:

1. Research paper preparation using LaTeX,
2. Thesis structuring and formatting, academic documentation best practices, and
3. Management of citations, references, tables, figures, packages, and templates.

The session provided valuable insights into professional document preparation and standard research writing workflows. The interaction with participants was highly engaging and informative, enabling attendees to clarify their queries and strengthen their research writing skills.

The hands-on training was successfully conducted with the participation of 43 students. It was coordinated by Dr. Ami Ghelani, Assistant Professor, GTU-SET, under the guidance of Dr Madhuri Bhavsar, Director, GTU-SET.
