Emerging Technology Standards Club

Organized by: GTU - School of Engineering and Technology Under the Aegis of BIS

Standards Club for Emerging Technology Standards Club

Date: 26th October 2026

Time: 11:00 AM onwards

Venue: Classroom - School of Engineering and Technology (GSET).

Coordinator: Prof. Dipak Dabhi, Assistant Professor, GTU-SET

1. Event Overview

The “Emerging Technology Standards Club” at GTU – School of Engineering and Technology successfully organized a Quiz Competition under the aegis of the Bureau of Indian Standards (BIS) Standards Club. The event aimed to promote awareness about the importance of standardization, quality, safety, and cleanliness among students. Standards play a crucial role in ensuring quality and reliability in engineering and everyday life, while initiatives such as the Swachh Bharat Abhiyan emphasize hygiene, sanitation, and environmental responsibility.

The competition provided a platform for postgraduate students to enhance their knowledge of BIS standards, standardization, and the objectives of the Swachh Bharat Abhiyan. Through the quiz, students gained an opportunity to assess their understanding of national standards, cleanliness, hygiene, and responsible practices that contribute to a safe and sustainable society.

2. Competition Highlights:

The competition started at 11:00 AM with a warm welcome to all participants and coordinators. The event tested students' knowledge of BIS Standards, technical concepts, and industry best practices.
